

ITEM 39615.9986 - STONE-CLAD CONCRETE PLANTER

DESCRIPTION:

This work shall consist of furnishing and installing a stone-clad concrete planter in accordance with the contract documents and as directed by the Engineer.

MATERIALS:

The provisions of Section 560 - Masonry, shall apply with the following additions and modifications:

Stone cladding shall be of a large-grained granite without veining, and with an overall gray-green appearance composed of green-to-brown and grey-to-blue color.

Stone shall be natural cleft face with sawn sides and rubbed bottom surface, as dimensioned in the contract documents.

Stone cladding shall be from the same source as Granite Unit Pavement, and shall be as approved by the Engineer.

Bluestone coping and base moulding shall be fabricated to conform with the contract documents and shall be of New York State bluestone, free stone (meaning solid, with no black lines showing with grain) and uniform green-gray color. Bluestone for coping and base moulding shall be from the same source.

Portland cement shall conform to §501-2.

Steel Reinforcement shall conform to §Section 709 - Reinforcing Steel and shall be as detailed in the contract documents.

CONSTRUCTION DETAILS:

Construction of the stone-clad concrete planter shall conform to the contract documents. Contractor to submit shop drawings to verify all stone fabrication. The provisions of §560-3, Construction Details, shall apply, with the following exceptions:

Prior to the start of work, the Contractor shall submit for approval two samples each of the bluestone coping, bluestone base moulding, and the granite stone cladding. Samples shall be fabricated to the shape, size and finish indicated in the contract documents, except that the bluestone samples shall be 300mm in length.

METHOD OF MEASUREMENT:

This work will be measured for payment as the number of linear meters of Stone-Clad Concrete Planter satisfactorily furnished and installed, measured to the nearest one-half linear meter.

ITEM 39615.9986 - STONE-CLAD CONCRETE PLANTER

BASIS OF PAYMENT:

The unit price bid for Stone-Clad Concrete Planter shall include the cost of furnishing all labor, materials, and equipment necessary to satisfactorily complete the work. Pavement and sub-base will be measured and paid for under their respective items.

DISAPPROVED BY EI 12-001
