

ITEM 10615.9987 M - WOOD PLANTER

DESCRIPTION

Under this item, the Contractor shall furnish and install Wood Planters in accordance with the Contract Drawings, these specifications and as directed by the Engineer.

MATERIALS

- A. Wood Planter - The planter shall be as detailed in the contract plans, constructed of southern yellow pine, # 2 grade or better, treated with copper chromate arsenic bearing a retention factor of not less than 0.40.
- B. Planter Liner – A plastic planter liner of the size, shape and color specified on the plans shall be provided.
- C. Connecting hardware - Connecting hardware, as detailed in the contract plans, shall conform to the requirements specified in Subsection 715-16, Stainless Steel Connecting Products.
- D. Paint - All paint and painting procedures shall conform to the requirements specified in Subsection 708-01, Paints – General; 708-20 – Stain Resistant White Paint and 740-02, Painting Timber and Lumber, with the exception that the Finish coat shall be white.

CONSTRUCTION DETAILS

The Contractor shall submit six copies of the Manufacturer’s Shop Drawings to the Engineer for approval. These drawings shall be submitted at least ten working days prior to the date the Contractor orders the planters. Wood Planters shall not be shipped to the job site until the shop drawings are approved.

The planter shall have been completely fabricated and painted in accordance with the plans and these specifications prior to delivery to the site. No painting shall be permitted in the field except as directed by the Engineer to correct any imperfections in the paint that may have occurred during shipping, handling and/or installation of the wood planter.

Wood Planters shall be placed where shown on the Contract Plans and plastic planter liners shall be placed in the planters and planted with flowers as per the contract plans.

METHOD OF MEASUREMENT

The quantity of Wood Planters to be paid for under this item shall be the number of Wood Planters furnished and installed in accordance with the plans, these specifications to the satisfaction of the Engineer.

ITEM 10615.9987 M - WOOD PLANTER

BASIS OF PAYMENT

The unit price bid for each Wood Planter shall cover the cost of furnishing, delivering and installing the Wood Planter, complete with the plastic planter liner, materials, labor, equipment and all other incidentals necessary to complete the work.

Payment for planting of flowers in Wood Planters shall be made under separate items.
